# SOOTHE OPERATOR

Calm skin and reduce irritation with these products and treatments formulated for sensitive skin types.

—Darby Radcliff

**1. Amber Products Facial Alginate Masques:** Balance the moisture barrier with this nourishing mask filled with arginine, an amino acid that hydrates the outer layers of the skin. [store.amberproducts.com](http://store.amberproducts.com)

**2. Apothederm Moisturizing Cleanser:** Protect skin from free radicals and remove makeup, dirt, and impurities without stripping the skin of moisture with this gentle cleanser composed of avocado oil, carrot, evening primrose oil, and seabuckthorn fruit extract. [www.apothederm.com](http://www.apothederm.com)

**3. Biopelle Prescribed Solutions Don't Be So Sensitive Post Procedure Cleanser:** Remove dirt and impurities without irritation with this light oil-free cleanser that hydrates the skin. [www.biopelle.com](http://www.biopelle.com)

**4. CelleClé MicroLift Shield De-Stressing Treatment Moisturizer:** Combat the signs of aging caused by stress and environmental aggression with this moisturizer that reduces redness while smoothing and softening fine lines and wrinkles. [www.cellecleskincare.com](http://www.cellecleskincare.com)

**5. [comfort zone] Skin Resonance Cream Oil Cleanser:** Infused with olive and sunflower oils, this cleanser and makeup remover transforms to an oil when applied and leaves a protective veil of moisture after removal. [www.comfortzone.it](http://www.comfortzone.it)

**6. Dermalogica UltraCalming Cleanser:** Formulated for reactive skin, this pH-balanced, non-foaming cleanser helps calm and diminish redness while fortifying the skin's protective barrier. [www.dermalogica.com](http://www.dermalogica.com)

**7. G.M. Collin Vasco-Tonic Concentrate:** Featuring antioxidants, botanical extracts, and vitamins, this serum works to eliminate redness, diminish dark under-eye circles, and soothe the skin. [www.gmcollin.com](http://www.gmcollin.com)

**8. HydroPeptide Soothing Balm:** Containing antioxidants, nourishing botanicals, and emollients, this calming, cleansing, and age-defying facial oil restores hydration and promotes rapid recovery. [www.hydropeptide.com](http://www.hydropeptide.com)

**9. Ilike Organic Skin Care Ultra Sensitive System Whipped Moisturizer:** Grapeseed, plantago, and yarrow hydrate, protect, and soothe skin while reducing inflammation. [www.szepelet.com](http://www.szepelet.com)

**10. Natura Bissé NB Ceutical Skin Protectant S.O.S. Instant Rescue:** This effective formula contains soothing active ingredients such as calendula that strengthen the epidermal barrier and provide instant relief for sensitive or irritated skin. [www.naturabisse.com](http://www.naturabisse.com)

**11. Sessa Skin Therapy A.C.E. Cream For Sensitive Skin:** Rejuvenate and nourish skin with this gentle formula containing sodium hyaluronate for maximum hydration and vitamins A, C, and E. [www.seshaskin.com](http://www.seshaskin.com)

**12. Skin Script Cacteen Balancing Moisturizer:** Reduce sensitivity with this moisturizer that balances skin with the healing properties of the fatty acids in olive oil and pear cactus. [www.skscriptrx.com](http://www.skscriptrx.com)
