NEW PRODUCTS

Highlighting the latest in skin care products and equipment.

Micro-Firm Neck & Décolleté Rejuvenating Complex

Micro-Firm Neck & Décolleté helps tighten, firm and nourish the neck area, while also rejuvenating skin's elasticity. This complex targets fine lines and wrinkles to create a softer and more youthful appearance.

Neocutis

RapidRenew Skin Perfecting Polish

RapidRenew Skin Perfecting Polish exfoliates the face, neck and décolleté to reveal smoother and softer skin. It contains six key ingredients with anti-aging benefits to revitalize skin.

RapidLash (Rocasuba, Inc.)
www.rapidlash.com

Hydrating Face Cream

The lightweight Hydrating Face Cream uses natural ingredients to keep skin moisturized and nourished throughout the day.

Royal Canadian Laboratories
