WORTH A LOOK

Take a closer look at products that are shaping our industry.

Agera Laboratories/Med Aesthetics' **Ultra Moisture Complex** is an elegant and rich cream specifically designed for mature, dry, and environmentally-damaged skin. This luxurious cream absorbs quickly to leave the skin hydrated, soft, and smooth. It works deep in the skin matrix to improve texture and minimize the appearance of lines and wrinkles. This cream is formulated with Prolifersyn Peptide and MagC and is a powerful hydrator that effectively restores the skin's youthful qualities. 877-656-5188 or ageralabs.com

Aromatherapy Wellness Body Oil by Ambrosia™/CA BOTANA International, Inc. is made from the blossoms of thyme and geranium, natural essential oils, and botanical extracts. This body oil has an extraordinary effect on the skin: it soothes, softens, and detoxifies, creating a feeling of well-being and relaxation. 800-872-2332 or ca-botana.com

Nourishing Serum by Apothederm® contains copper peptides, antioxidants, and vitamins that help to restore vibrancy to the skin and protect against free radicals. This serum's botanicals help calm and soothe, while sodium hyaluronate deeply hydrates and revives tired skin. It also reduces the appearance of fine lines and wrinkles. 877-496-0038 or apothederm.com

PepX Eye Boost by Dermatude is an advanced formula that contains hyaluronic acid peptides and Argireline®, which was specially developed to prevent muscle contractions by the sensitive skin around the eyes. This product has a botulinum toxin-like effect and optimally protects, hydrates, and relaxes the delicate skin around the eye, providing a fresh, youthful appearance. 855-309-0313 or dermatude.com

DermAware's **A+ Smart Serum™** is a revolutionary serum that is smart enough to know exactly what the skin needs and where to deliver it in the correct dose and form. Clients can jumpstart their day with a multi-dose serum of antioxidants and three types of vitamin C that provide support for both hydrophilic and lipophilic components of the skin. Its powerful boosters include CoQ10, alpha lipoic acid, and ginkgo green tea for age, pigment, acne, and oil control. 888-292-3376 or dermaware.com

CelleClé Skincare's **3D StrataSculpt Remodeling Serum** is a luxurious, pearlescent serum that supports the natural firming networks of the skin with volumizing peptides and restructuring plant stem cells. This serum gives the skin a youthful boost, plumped contours, and a vibrant, dewy finish. 888-731-2525 or cellecleskincare.com

Epionce's **Anti-Aging Lip Renewal** incorporates the therapeutic-renewal technology found in Epionce's Renewal Facial products to reveal healthier skin on the lips. This product helps to reduce the visible appearance of fine lines and wrinkles while revealing smoother, more hydrated lips. It achieves noticeably-smoother, youthful-looking lips with a powerful treatment formula designed specifically for the unique lip area. 866-374-6623 or epionce.com
