**3 Keys** to  
Eco-conscious Design

**7. Tri-Peptide Eye Cream**  
**Skin Script Skin Care**  
**480-543-1121**  
**[www.skinscriptrx.com](http://www.skinscriptrx.com)**

Tri-Peptide Eye Cream softens skin and firms the eye area while stimulating circulation, improving tissue strength and encouraging healthy cellular skin functions with squalane, caffeine and jojoba seed oil.

**8. Cream Stay Shadow Sticks**  
**glo minerals**  
**800-232-0398**  
**[www.gloprofessional.com](http://www.gloprofessional.com)**

Cream Stay Shadow Sticks are long-wear, pigment-rich formulas for buildable, blendable coverage in five shades including beam, concord, gold blush, metro and pitch.

**9. Water Color High Intensity Loose Eyeshadows**  
**Osmosis Colour Mineral Cosmetics**  
**877-777-2305**  
**[www.osmosisskincare.com](http://www.osmosisskincare.com)**

Water Color High Intensity Loose Eyeshadows are concentrated minerals that bind around water molecules and burst when applied to the skin, leaving a highly pigmented look while hydrating the eye area.

**10. Active Light**  
**jane iredale**  
**877-869-9420**  
**[www.janeiredale.com](http://www.janeiredale.com)**

Active Light works to reduce inflammation and puffiness while disguising wrinkles, fatigue and deep creases with sheer to medium coverage in six shades.

**11. MultiRestore | corrective eye contour treatment**  
**CelleClé Skincare**  
**888-731-2525**  
**[www.cellecleskincare.com](http://www.cellecleskincare.com)**

MultiRestore corrective eye contour treatment uses biomimetic technologies to lift and smooth eyelid folds and counteract sagging by protecting the extracellular matrix from pollution damage.

**12. EYEdeal Eye Repair Serum**  
**Skinprint**  
**800-234-1308**  
**[www.skinprint.com](http://www.skinprint.com)**

EYEdeal Eye Repair Serum decreases fine lines and wrinkles around the eyes while decreasing puffiness and minimizing darkness. The serum can also be used on the upper eye lid for a gentle lift.
