+ IMPRESSIVE DEFENSE

Image Skincare's Vital C Hydrating Antioxidant A C E Serum is a concentrated skin essence infused with vitamins A, C and E, as well as a powerful blend of plant antioxidants that help defend against visible signs of aging such as fine lines, dryness and collagen loss. Green Tea guards against free radical damage and Bearberry Extract naturally brightens skin. A complex of five amino acids helps support healthy collagen and elastin production. The formula is ideal for dry, dehydrated, sensitive and/or irritated skin.

+ CLINICAL HYDRATION

Deep Hydration Night Cream has been clinically shown to provide immediate improvement in the skin's appearance overnight and a visible reduction in fine lines and wrinkles in just four weeks. It goes to work immediately, replenishing the skin with Hyaluronic Acid Super Trio, Soy Peptide Complex, Honeysuckle Flower Extract and Vitamin E, which promotes the healing process and strengthens the skin's barrier function. It is light weight, fragrance-free, paraben-free, dye-free, and mineral oil free.

+ MANGO'S A MIGHTY MOISTURIZER

As a hydrating face mask that soothes inflammation, Osmosis Skincare's Tropical Mango Barrier Recovery Mask (cruelty-free, vegan, gluten-free) features nut and fruit butters and oils to restore the skin's lipid barrier. This velvety, delectably scented mask features its star ingredient, Mango Seed Butter, while other key ingredients like Sunflower Seed Oil, Shea Butter, Avocado Oil, Murumuru Seed Butter, and Olive Fruit Oil calm and hydrate. This oncology friendly, creamy face mask will ease irritated, dehydrated, and rosacea skin conditions.

+ MULTITASKING ESSENCE

DetoxyGlow is an ultra-hydrating and brightening essence that instantly refreshes, restores radiance, and shields the skin against the aging effects of pollution, both indoors and outdoors. This potent essence diminishes the appearance of urban dullness while combatting signs of fatigue and aging caused by cigarette smoke, exhaust fumes, heavy metals, and other environmental pollutants.
